# FAMILY OUTREACH

# SureStart

Our Aim

To help children aged 0-5 yrs  
get the best start in life  
through improving health,  
social and education  
outcomes.

## What we can do

- We can provide you with information about what is going on for you and your family at the Children Centre's, and go along with you to your first group if you want us to
- We can provide one to one support if you think you need a little extra help with things like behaviour management, routines, and the challenges that parenting can bring!
- We can listen to your ideas about activities and services that are needed at the Children's Centre's and, if possible, set them up
- We will be running courses, such as, baby massage and fun+families parenting groups
