

King Charles III's Coronation Fund Guidance

Melton Borough Council's Coronation Small Grants Scheme is designed to support communities across Melton celebrate the Coronation of His Majesty King Charles III.

A fund of £8,000 is available to support a range of community projects as part of the celebrations. Eligible community groups, charities and parish councils organising events and projects can apply to this fund for financial support to help make their local celebrations a success. Applications of between £70 and £700 are welcomed.

We expect there will be a high level of demand and unfortunately, we won't be able to fund every request, but we know that a small amount of funding can make a big difference to delivering projects and initiatives in local communities and we look forward to seeing what comes forward through this scheme. We particularly welcome applications where there is some match funding in place to help the available funds go further.

Closing Dates for applications

The final closing date for applications is 11:59pm on Monday 20th March 2023. You can apply at any time whilst the fund is open, but please ensure your application reaches us by the deadline. The panel will consider applications in line with the grant criteria, and in the event that the fund is oversubscribed, the panel will review eligible applications in date order.
