Taking the appropriate course of action to address identified hazards and regulatory breaches.
3. Implement and update policies and procedures resulting in any legislative changes and updates.

4. To proactively work to identify HMOs that may require a licence or compliance with safety standards and HMO management regulations. To effectively deliver the HMO licensing scheme ensuring its applied correctly and taking prompt legal action when breaches are identified.
5. To undertake investigations into empty properties utilising all available resources and where necessary using appropriate and proportionate enforcement action to bring properties back into use.
6. To effectively promote and maintain strong partnership working. This will include liaising with a wide range of stakeholders including Parish Councillors and elected members, fire and rescue service, environmental health, tenancy support, adults and children's services.
7. To mentor and train other members of staff or trainees to assist the delivery of the service.
8. Maintain and develop electronic information systems including data bases and filing structures using corporate systems.
9. Plan and carry out general administrative duties for the service area including but not restricted to responding to correspondence, producing documents and raising orders. Also monitor and report on information/activities relevant to the service area and provide relevant management information when required.
10. Respond to and follow up on customer enquiries through post, phone, email and face to face in line with service standards set for the area.
11. To undertake necessary work and duties outside normal office hours as reasonably required.
12. The above list of responsibilities is not exhaustive and the responsibilities and duties will vary from time to time depending on the needs of the Environmental Health Service and may include general Environmental Health work without changing the character of the post or the level of responsibility entailed. Such variations are a common occurrence and cannot themselves justify a reconsideration of the grading of the post.
13. The postholder will be expected to adopt a flexible approach to ensure the efficient and effective implementation of relevant legislation, the Council's policies and programmes.
