## **Community Centres**

This service maintains and develops various community centres around Melton Mowbray. Some of the centres sessions are run and managed by voluntary groups and organisations. The aim is to develop a wide range of activities and facilities including meetings, group sessions, events, physical activity, arts productions and anything that helps to make stronger communities.

## **Open Spaces**

The service is responsible for the general green infrastructure upkeep, maintenance and development of town amenities within Melton Mowbray.

## **Cemeteries**

Melton Borough Council is a Burial Authority with a cemetery provision on land at Thorpe Road, Melton Mowbray. The cemetery service provides for full interments, burial of cremated remains and the scattering of ashes. On site chapel hire is also available

## **Allotments**

Melton Borough Council is an Allotment Authority by virtue of the Local Government Act 1972. Inspection, administration of tenants and the overall maintenance of three sites is run by Melton Borough Council. There are three additional sites owned by MBC, and run by other parties.

## **Closed Churchyards – Sproxton , Frisby & Gaddesby**

The service provides for the general ground maintenance and upkeep of the external environment in the closed churchyards, including paths, fences, gates, trees and shrubs as well as specific duties such as the safety of headstones and grave monuments.
